

Ranpak Void Fill Systems...
the Natural Choice

FillPak TT[®] Cut Mechanism

*makes packing with paper
even easier*

Gives FillPak TT the Flexibility to Cut and Pre-Define Paper Lengths

In addition to adding a user-friendly cut feature to the FillPak TT[®], the cut mechanism upgrade also gives the operator the ability to set the length of the material via an Electronic Delivery System (EDS) mode. The unit can be set up to dispense void fill material in lengths of 12 inches up to 10 feet.

The TT with cut mechanism has the same small footprint as the original FillPak TT and can be easily adapted to any packing environment or integrated into areas with limited space.

- **Fast** - allows for converting speed of 60 inches per second
- **Compact** - designed for facilities with multiple packing stations
- **Adaptable** - can be easily retrofitted to any new style FillPak TT
- **Versatile** - EDS mode allows adjust ability to dispense paper from 12" to 10' automatically
- **Adjustable** - converter height and head angle remains adjustable for ease and comfort while loading and packing

Protection is in our nature[™]

Unit (approximate measurements)*	
Width	17"
Depth	26.5"
Weight	54 lbs. (table stand configuration)
	66 lbs. (floor stand configuration)
Power	100/115 VAC, 1 phase
Feed Rate	60 inches per second
Cut Method	Electric motor
Operating Modes	Footswitch EDS

*Size specifications refer to the customized converter only

Paper Bundle				
Paper Type	Width (inches)	Basis Weight (lb.)	Length (feet)	Weight (lbs.)
Fanfold Box	15	30*	1,660	21
Fanfold Box		45	1,200	23

*Also available in 100% recycled and white

Converter Accessories
Wind Guard Kit - Universal
Battery Conversion Kit (includes battery, charger and grounding clip)
Dual Footswitch Kit

Paper Pallet			
Bundle Type	Bundles per Pallet	Dimensions (inches)	Weight (lbs.)
30 lb.	65	48 x 40 Depth	1,420
45 lb.			1,517

Wind Guard Kit - Universal

Dual Footswitch Kit

Battery Conversion Kit

FillPak TT[®] Process

2 Run through patented converters

3 Generate PaperStar[™] fill

1 Box of single-ply fanfold kraft paper

4 For top and side void fill

FillPak TT with Cut Mechanism Upgrade

Standard FillPak TT without Cut Mechanism*
